

## ENGINEERING HEALTH QUOTE

Powered by **ACEC Life/Health Trust**

*Insurance solutions for  
small businesses*

### 3 Easy Steps to a Health Insurance Quote

1

Are you a firm with 2 to 50 employees?

2

Share some basic information about your firm.

3

Receive your quote within three business days.

## Insurance is confusing. We made it easy.

You need great benefits to hire and retain talent. But insurance coverage is probably one of your top three expenses, and most insurance brokers don't serve the small business market.

**Luckily, we're here to cut through the confusion.**

Through **Engineering Health Quote**, powered by the ACEC Life/Health Trust, you can enjoy the buying power of a big corporation by joining other healthy small businesses, for better benefit plans and perks at competitive rates – and even robust advocate, telehealth and wellness services at no extra charge.
