

A COMPLETE PICTURE OF YOUR CURRENT HEALTH

Keep Your Health in Focus

Discover where your health currently stands by completing your Health Assessment and Health Screening—two quick and easy ways to gauge your health and get started on your program requirements. It's easy and only takes a few minutes.

Sign in to your Designed Wellness account at member.virginpulse.com today to get started and receive a snapshot of your current health.

Please note that it may take up to two weeks for your health screening results to appear in your Designed Wellness account.
