

QUALITY HEALTH CARE COVERAGE—AT AFFORDABLE, PREFERRED-INDUSTRY RATES

SELECT PLAN

ALTERNATE FUNDING MODEL

Rising health care costs have made it a challenge for small to midsized engineering firms to offer their employees affordable, quality health care. However, with the Select Plan from ACEC Life/Health Trust, you can choose an alternate funding model that combines many of the features of being self-funded with risk protection for small to midsize firms. The Select Plan allows you to provide quality health care coverage at a reasonable cost for both your firm and your employees.

BROAD NATIONAL NETWORK

The Select Plan offers access to a broad national PPO network of physicians and hospitals, as well as more than 75,000 pharmacies nationwide.

AFFORDABLE CARE ACT (ACA) EXEMPTIONS
