

Tools You Can Use Year-Round

Enrollment may be over, but Benefitsolver has an array of tools you can use year-round to make your work life a little easier.

USE STANDARD REPORTS

Benefitsolver has more than 100 standard reports—from Open Enrollment to Election and Census Data Reports—right at your fingertips!

EASE YOUR ADMINISTRATIVE BURDEN

When you use Benefitsolver, you can reduce the amount of time spent on administrative tasks—and more time focusing on your core business.

COMMUNICATE EASILY WITH EMPLOYEES

You can upload important policy documents and employee contributions that employees can view on their own time.

TRACK OPEN ENROLLMENT & ELECTION PROGRESS

Benefitsolver allows you to track employee benefit elections during Open Enrollment, so you can see—and measure—your firm's success.

ONE-STOP SHOP

Benefitsolver is a true one-stop shop for your enrollment and eligibility needs, and is even available to non-Trust member firms.
